

# Wakefield Prospects Bright For Fast Close

Wakefield High School runs into its biggest obstacle in Falls Church tomorrow night as the Warriors fight to win the rest of their basketball battles for the current season.

After a mid-season collapse brought on by injuries and sickness the Warriors emerged from a six game losing seige to knock off Herndon and eke out a one-

point double overtime victory over George Washington's Junior Varsity to ignite a two game winning streak.

Coach Robbie Robinson's boys would like nothing better than to go the remainder of the season undefeated but the Warriors aren't going to be allowed any mistakes against the Group 1 Falls Church quintet.

After facing Falls Church Friday night the Warriors hit the road for Rockville, Maryland the following evening to engage Richard Montgomery High School with no rest between battles. If the Warriors can survive the heavy week-end activities unmolested the Wakefield boys could find smooth sailing ahead.
